

## Cryder Historical Center Dedication Set for March 26

We are pleased to announce that on March 26 we will dedicate our East William Street campus, including the Nash House and the research library, as the Cryder Historical Center, in honor of the late George and Marilyn Cryder. George R. Cryder (1924-2002) and Marilyn Moseley Cryder (1931-2010) for decades were tireless leaders of our society and the community's go-to people for all matters historical.

Dedication ceremonies, including the unveiling of new signs, will be at 2 p.m. on Saturday, March 26 at 157 E. William Street. Special guests, speakers, the unveiling of new signage and tours of the Cryder Historical Center will be included in the day's events. Refreshments will be served. Tours will include a demonstration of the society's newly expanded and improved computer network and scanning equipment. The upgrade, a targeted gift of a DCHS member, facilitates the scanning and cataloging of historic photographs and object images which we expect to make available on the Internet. Members and supporters of the DCHS may target membership contributions and other donations, for example to the cataloging project or the preservation of artifacts and documents.
