

Teacher Tote Bag Program

3rd Graders

The Tote Bag is a portable resource file on Delaware County History

The Curriculum Support Committee developed a portable tote bag full of local Delaware history information. These tote bags are designed for teachers of 3rd grade level students in Delaware County. At no cost, tote bags may be picked up any time or delivered to your school throughout the school year. Tote bags need to be returned or schedule a pickup at the end of the school year.
